MEMORANDUM FOR: Director of Central Intelligence  
FROM: Herbert E. Hetu  
Assistant to the Director  
(Public Affairs)  
SUBJECT: Interview with Jim Klurfeld,  
NEWSDAY

1. We have a request from Jim Klurfeld, a new addition to the NEWSDAY Washington bureau, to interview you sometime next week, 27 June-1 July. Klurfeld is doing a story on, "How Good is the Intelligence Product." He has talked to Brzezinski and Secretary Vance. I am getting a reading on those interviews.

2. NEWSDAY has never been very supportive of the CIA and their comments have been generally negative. However, we are making efforts to win their respect in the hopes that they may at least provide objective coverage in the future.

3. We had Klurfeld out for coffee in my office last week-- he seems reasonable and positive. I would recommend that if we can find time on your schedule that you do talk with him.
